LOW - MAINTENANCE

DuChâteau Vinyl DeLuxe Classic offers a tough stain-resistant finish that is easy to clean and won't trap dirt – all that you want out of a hardwood floor without any of the upkeep.

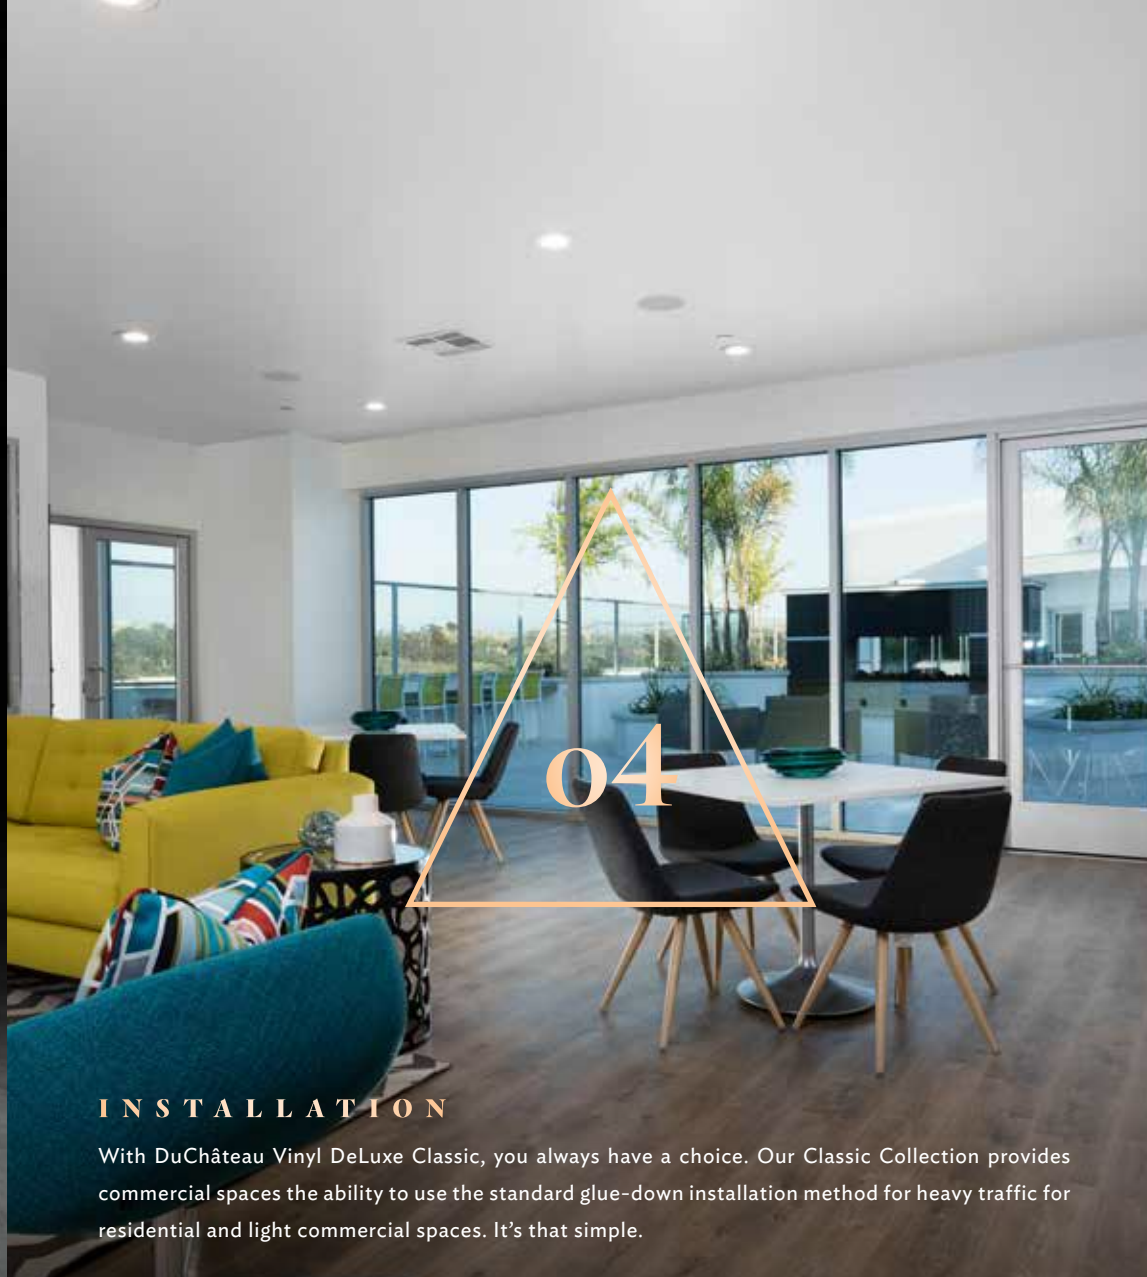

REALISTIC WOOD SURFACE

We should never move so far away from nature that we forget our roots. DuChâteau Vinyl DeLuxe Classic Collection features realistic wood surfacing that bring that sense of nature indoors, while still meeting the needs of your design space. Don't just imagine the difference our floors make; see and feel the difference.

DURABLE

Strong enough for high-traffic residential and commercial spaces, DuChâteau Vinyl DeLuxe Classic is made to endure, retaining its distinctive looks year after year.

INSTALLATION

With DuChâteau Vinyl DeLuxe Classic, you always have a choice. Our Classic Collection provides commercial spaces the ability to use the standard glue-down installation method for heavy traffic for residential and light commercial spaces. It's that simple.

SUSTAINABILITY

DuChâteau's Vinyl DeLuxe Classic Collection features a variety of top quality simulated wood grain textures and patinas that were previously found only in our hardwood floors. The very same look and feel of our signature hardwoods can now be achieved in this ultra-durable, low-maintenance alternative. FloorScore® certified for low-VOC, DuChâteau Vinyl DeLuxe Classic Collection now coordinates flawlessly with a luxury lifestyle that can only be found with DuChâteau.
